

Our Mission: to restore, preserve and enhance this public botanical legacy garden for the education and enjoyment of all who visit.

CELEBRATION PLAZA

The *Celebration Plaza* at Hamilton Gardens is the perfect spot to recognize special people in our lives. Located in front of the Paris Pavilion, the Plaza is easily accessible and enhances the gardens property. It provides a unique opportunity to support the gardens by offering these beautiful stones for custom engraving through our donation program. Having a stone engraved in the *Celebration Plaza* is a beautiful way to honor or remember family, friends, and loved ones in perpetuity.

Each stone is unique in color, shape, and size and is available in three **APPROXIMATE** sizes. The engraver will select your stone based on stone size requested, the number of characters to be engraved, and will decide the arrangement of characters. He may abbreviate or substitute characters as needed to fit the stone: e.g. 'EST.' for 'ESTABLISHED'; '&' for 'AND'. **Spaces and punctuations each count as characters.** All engraving is done in capital letters and is included in the price.

Small:	Up to 60 square inches, maximum 30 characters	\$200.00
Medium:	60-80 square inches, maximum 45 characters	\$300.00
Large:	80 plus square inches, maximum 60 characters	\$400.00

**Send completed form (one for each stone) along with your check to:
